RESEARCH EXPERIENCE

- 2017 – 2019 **Post-baccalaureate Intramural Research Training Award Fellow**
National Institute on Alcohol Abuse and Alcoholism, NIH
Advisor: Vijay A. Ramchandani, Ph.D.
Duties: Acted as study coordinator throughout the development and onset of an intravenous alcohol self-administration study examining the gene effects of CHRNA5 on alcohol use. Processed and analyzed neural and behavioral fMRI data in a study focusing on the effects of a study drug, Nalmefene, on self-administration of alcohol and neural processes. Administered the SCID-5, the WASI-II, and questionnaires on treatment seeking and non-treatment seeking individuals in our screening protocol and sub-study (PI: Vijay A. Ramchandani, Grant: ZIA AA000466).
- 2015 – 2017 **Research Assistant**
Department of Psychology, University of Michigan
Advisor: Luke W. Hyde, Ph.D.
Duties: Assisted in data collection and processing for a longitudinal adolescent and primary caregiver study examining the effects of low socioeconomic status on psychopathology and affect function (PI: Christopher Monk, Ph.D.; Grant: R01 MH103761). Aided in data collection for a longitudinal twin and primary caregiver study focusing on genetic and environmental effects influencing childhood conduct problems (PI: S. Alexandra Burt, Ph.D.; Grant: R01 HD066040).
- 2013 – 2014 **Research Assistant**
Department of Psychology, University of Michigan
Advisors: Sara Konrath, Ph.D. and Delphine Grynberg, Ph.D.
Duties: Collected data as a researcher and confederate in an in-person study focusing on the relationship between empathy, social relations, and self-construals. Aided in data collection for a study examining the possible effects of adverse childhood experiences on lie detection in video and written mediums.

CLINICAL EXPERIENCE

- 2017 **Volunteer Coordinator**, Bridging the Gap Retreat: An Integrative, Intensive, Community-Based Program for Veterans, Spouses, and Support Persons

SKILLS AND ASSESSMENT TRAINING

Clinical Training

Structured Clinical Interview for DSM-5 (SCID-5) administration and scoring
Wechsler Abbreviated Scale of Intelligence (WASI-II) administration and scoring
Clinical telephone interview training

Data Analysis and Programming

Programming: E-Prime, Presentation, SPM, FreeSurfer
Analysis Tools: SPSS, R, Prism

LEADERSHIP AND COMMUNITY SERVICE

- 2017 – 2019 **Volunteer**, Habitat for Humanity, Rockville Restore
- 2013 – 2017 **Treasurer, Volunteer Coordinator, and Assistant Director of Publicity**, Habitat for Humanity, University of Michigan Chapter
- 2013 – 2015 **Secretary**, Undergraduate Psychology Society, University of Michigan

2013 **Volunteer**, Project Outreach: Juvenile and Criminal Justice, Washtenaw County Youth Center

TEACHING AND MENTORSHIP

Teaching

2019 **Teaching Assistant**, Bioinformatics 419 – “Data Visualization with R”
Foundation for Advanced Education in the Sciences

Mentorship

2018 **Alumni Mentor**, U of M LSA Summer Mentorship Program
