EDUCATION

- 2020-ongoing** **University of New Mexico**, Albuquerque, NM
Graduate Student in Clinical Psychology, Ph.D. Program
Health Psychology Emphasis
Advisors: Dr. Margo Hurlocker, Ph.D.; Dr. Katie Witkiewitz, Ph.D.
- 2022** **University of New Mexico**, Albuquerque, NM
Master of Science in Psychology
Master's Thesis: *"Finding the Positive" in Recovery: Psychometric Properties of a Measure of Human Flourishing in an Alcohol Use Disorder Recovery Sample*
- 2018** **Suffolk University**, Boston, MA
Bachelor of Science in Psychology (*Magna Cum Laude*)
Minor Sociology
Advisor: Gabrielle Liverant, Ph.D.
Honor's Thesis Title: *Do Positive Psychology Exercises Broaden the Thought-Action Repertoires of Individuals in Recovery from Problematic Substance Use?*
GPA: 3.86

HONORS, AWARDS, AND FUNDING

Research

- 2022 Best Clinical Graduate Student Paper, UNM Department of Psychology (\$300)
2018 Excellence in Honors Award for Senior Honors Thesis, Suffolk University
2018 Excellence in Honors Award for an Outstanding Senior Project in the Social Sciences, Suffolk University

Academic

- 2021 Sandia Casino Responsible Gaming Scholarship (\$5000)
2021-present T32 Predoctoral Fellow, National Institute on Alcohol Abuse and Alcoholism, University of New Mexico (Grant # T32 AA018108)
2021 Bertha Melgoza Clinical Psychology Award (\$500)
2015 - 2018 Dean's List, Suffolk University
2017 Psi Chi National Honor Society, Suffolk University

Travel

- 2019 NIAAA Student and Early Career Investigator Travel Award, 2019 Annual Conference of the American Psychological Association (\$750)

RESEARCH SUPPORT

- 2021 - 2022 **Research Society on Alcoholism**

Finding the Positive in Alcohol Treatment and Recovery: Development of the Positive Emotions, Engagement, Relationships, Meaning and Accomplishments for Alcohol Use Disorder (PERMA AUD) Scale

Principal Investigator (Sponsor: Margo Hurlocker)

Amount awarded: \$5,000

RESEARCH POSITIONS

- 2020 - 2021 **Graduate Student Research Assistant**
Department of Psychology, University of New Mexico
 Advisors: Dr. Margo Hurlocker, Ph.D.; Dr. Katie Witkiewitz, Ph.D.
- Assisted with research studies in the areas of alcohol use disorders and substance use treatment policy implementation in New Mexico. Assisted in supervising and mentoring undergraduate research assistants.
- 2018 - 2020 **Clinical Research Coordinator II**
Massachusetts General Hospital/Harvard Medical School
Recovery Research Institute
 Advisors: Bettina B. Hoepfner, Ph.D., M.S.; John Kelly, Ph.D.
 American Cancer Society Grant # 130323-RSG-17-021-01-CPPB
 NCI Grant # R01 CA201262
 NIAAA Grant # 1 5R01 AA026288-03
 NIAAA Grant # 5R01 AA025849-03
- Served as lead coordinator on two studies: (1) an ACS- funded iterative, prospective project to develop a positive psychology-centered smartphone app for smoking cessation, and (2) a NCI-funded R01 randomized controlled trial testing a positive psychology counseling intervention in conjunction with text-messaging support for smoking cessation. Served as co-coordinator on a NIAAA-funded R01 longitudinal study observing the effectiveness of mutual-help organizations (e.g., SMART Recovery) for individuals with alcohol use disorder who are making a new recovery attempt.
- 2017 - 2018 **Undergraduate Research Intern**
Massachusetts General Hospital/Harvard Medical School
Center for Addiction Medicine
 Advisor: Bettina B. Hoepfner, Ph.D., M.S.
 American Cancer Society Grant # 130323-RSG-17-021-01-CPPB
- Duties included assisting with data collection, recruitment, and conducting brief, semi-structured interviews with participants for an ACS-funded study aimed at developing a positive psychology-based smoking cessation smartphone application. Assisted in coding large amounts of qualitative data for an online survey study testing the effectiveness of positive psychology exercises among individuals in recovery. In addition, assisted with manuscript preparation.
- 2017 - 2018 **Undergraduate Research Assistant**
Suffolk University Emotion & Learning Lab
 Advisor: Gabrielle Liverant, Ph.D.
- Duties included assisting in recruitment, data collection, and analysis for a study focusing on the association between rumination about the experience of depression, fear of depressed mood,

and the clinical symptom of anhedonia. Worked cooperatively with other research assistants. Cleaned heart rate variation data.

2016

Undergraduate Intern**Boston Children's Hospital Autism Spectrum Center**

Advisor: Nancy Sullivan, Ph.D.

Assisted with literature searches for articles surrounding gastrointestinal issues in children with autism. Observed clinics and participated in discussions with clinicians. Created the center's first online resource for parents consisting of ABA therapy centers and their contact information. Participated in and assisted with planning events targeted toward autism awareness.
